Withdrawal

Withdrawal of a student from YCIS Chongqing is only confirmed upon receipt of a completed, signed Departure Notice Form or signed and dated letter, in advance of the desired withdrawal date. Departure Notice Form is available at the School Office. If a written notice of withdrawal is submitted to the School during a public holiday, it will be deemed received by the School on the first day of School following the public holiday. Any refunds of School fees will only be considered after the receipt of such notice of withdrawal.

Refund

1. Application Fee:

An Application Fee is an administrative fee that must be paid to initiate the application review and admission process. The Application Fee is non-refundable.

2. Deposit:

While the School reserves the right to deduct from the Deposit any amounts that are owed by the student or the parent/guardian to the School, this right does not diminish in any way the School's absolute right to otherwise require payment and collection of such amounts through other means, when such amounts are due.

In order to ensure that the Deposit is returned to the proper party, the official receipt issued by the School when the Deposit was first paid, must be returned to the School before the Deposit can be refunded.

If an internal transfer is approved and the Deposit is required, the Deposit may be transferred from one Yew Chung International School to another. Adjustment of the Deposit amount may be required, subject to your child (ren)'s School of entry's Fee Policy.

3. Tuition Fees:

The School makes advance commitments related to staffing, purchasing and other resources, based on confirmed enrolment, all of which have financial implications.

Accordingly, should a parent/guardian decides to terminate a student's study at the School, it is necessary for the School to be compensated for the early termination of the education services contract between the School and the parent, as commitments would have already been made by the School and there would be an indirect financial impact of implementing changes in scheduling and other arrangements. Depending on the time of year when the student withdraws, as well as when the written notice of withdrawal is submitted to the School, the amount of compensation for early termination required by the School may vary.

The chart below summarizes how much of the Deposit and Tuition Fees already paid shall be returned to the parent/guardian.

There will not be any refund of all School fees for a student on leave. In the event that a student does not resume enrolment on the scheduled date nor notify the School to extend the duration of leave and continues to pay the required tuition and other fees, such a student will be considered withdrawn. If he or she returns later on, a non-refundable Application Fee must be paid again.

4. Transportation Service:

The written notification must be received at least one month in advance if the student no longer requires transportation service. The transportation service fees for the month in which the written notification is received as well as the fees for the following full calendar month will not be refunded. The remaining transportation service fees will be refunded. The transportation service fee is charged on monthly basis.

5. School Lunch Fees:

Any request for refunds with respect to School Lunch Fees should be made directly to the food service provider responsible for operating the School's cafeteria.

For any refund on School fees, the original Fapiao must be returned back to the School. Failure to do so will result in additional tax charges per government requirement.
